Fire Prevention Permit – Steps to Approval

After you submit your application to the Business Licensing Office:

- We will send your information out to the below listed departments.
- You may then proceed with arranging for inspections when your establishment is ready.
- When the Business Licensing Office has received all approvals from the required departments, we will issue your license. We will call you when the license is ready and any remaining balance is due. You may contact us for a license status update, **but please note that we must receive approvals directly from all departments on the accompanying “Steps to Approval” sheet before issuing your license.**

In order for the Business Licensing department to issue your Fire Prevention Permit, we must receive approvals from the following departments:

- Fire Inspections
- Zoning/Code Enforcement
- Treasury
- Police Department
-

To schedule an inspections after you apply, please contact:

Contact the City of Portland Fire Inspections Department at 874-8400

If you have any questions about this process, please contact the Licensing and Registration Division, at 874-8557 or bl@portlandmaine.gov.
